MARIO VARGAS LLOSA: A LIFE OF WRITING (PAPERBACK)

University of Texas Press, United States, 2015. Paperback. Book Condition: New. Reprint. 229 x 152 mm. Language: English . Brand New Book. Awarded the Nobel Prize in 2010 at the age of seventy-four, Peruvian writer Mario Vargas Llosa has held pivotal roles in the evolution and revolutions of modern Latin American literature. Perhaps surprisingly, no complete history of Vargas Llosa s works, placed in biographical and historical context, has been published-until now. A masterwork from one of America s most revered scholars of Latin American fiction, Mario Vargas Llosa: A Life of Writing provides a critical overview of Vargas Llosa s numerous novels while reinvigorating debates regarding conventional interpretations of the work. Weaving analysis with discussions of the writer s political commentary, Raymond Leslie Williams traces the author s youthful identity as a leftist student of the 1960s to a repudiation of some of his earlier ideas beginning in the 1980s. Providing a unique perspective on the complexity, nuance, and scope of Vargas Llosa s lauded early novels and on his passionate support of indigenous populations in his homeland, Williams then turns his eye to the recent works, which serve as a bridge between the legacies of the Boom and the diverse array of contemporary Latin American fiction writers at work today. In addition, Williams provides a detailed description of Vargas Llosa s traumatic childhood and its impact on him-seen particularly in his lifelong disdain for authority figures-as well as of the authors who influenced his approach, from Faulkner to Flaubert. Culminating in reflections drawn from Williams s formal interviews and casual conversations with the author at key phases of both men s careers, this is a landmark publication that will spark new lines of inquiry into an intricate body of work.
