BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. A poignant story of second chances of loving, losing, and finding the courage to try again. - Macy Beckett, author of the Sultry Springs series Ranch owner Valerie Jordan learned the hard way that people carve out their own destiny. She knows firsthand what can come of one night of unchecked attraction and lost inhibitions. And she also knows there s only one way to handle guarded missionary doctor Peyton Turner: with caution. Thirteen years ago, they went from being friends to lovers to strangers. To save himself and outrun his past, Peyton disappeared. Now the prodigal son of Night Sky, Texas, is home though he has no intention of staying. But once the revelation that he and Valerie share a troubled teenage daughter sends him on a hunt for answers, there s no avoiding one another.no ignoring the undeniable desire that draws them together. Texas Redeemed is a passionately written and emotionally gripping story of lust and risk, love and forgiveness, of confronting the damaging secrets of the past for a chance at redemption.
