The USS Maine is one of the most famous ships in American history, but for all the wrong reasons. A symbol of naval strength in the late 19th century, the Maine s tragic fate is taught to students across the nation, not just because it was a disaster but because it is associated with the most notorious examples of yellow journalism in the country s history and ultimately brought about a war, despite the fact it s still unclear what caused the ship s explosion. In 1898, one of Spain s last possessions in the New World, Cuba, was waging a war for independence against Spain. Though Cuba was technically exempted from the United States Monroe Doctrine since Cuba was already a possession of Spain when the Monroe Doctrine was issued, many Americans believed that the United States should side with Cuba against Spain. At the same time, however, President William...
