Schofield & Sims Ltd. Paperback. Book Condition: new. BRAND NEW, Written Calculation: Division 2: 2, Steve Mills, Hilary Koll, Written Calculation comprises six Pupil Books, six Answer Books, a Teacher's Guide and a Teacher's Resource Book and uses methods recommended in the National Curriculum. Designed for use at Key Stage 2, each Pupil Book uses 18 carefully structured steps to guide the learner towards full mastery of each written method, supporting them in their national tests and other areas of the National Curriculum. Written Calculation also helps pupils develop confidence and fluency in their learning by practising and embedding place value, number facts and problem solving skills. The importance of estimating and checking answers is also emphasised. Written Calculation: Division 2 leads pupils from short division to long division. Pupils beginning this book should have completed Division 1. Pupils should have an understanding of the value of digits up to and beyond four-digit numbers and experience of multiplying and dividing small numbers together. Pupils who have learnt their times tables and related division facts will find written division easier. Each of the 18 steps features the following sections: What to do - detailed explanations and a worked example; Now you try - questions that are similar to those in the worked example; More practice - questions that are a little more difficult and provide less support than those in Now you try; Problem solving - word problems; Self-evaluation rating - to help identify pupils who may be struggling with the step. Three Check-up tests and a Final test enable you to monitor pupils' progress and quickly convert scores to percentages. These scores may later be recorded on the Group record sheet. The accompanying Teacher's Guide provides useful notes and ideas for planning lessons, enabling a whole-school approach. Detailed Teaching notes...
