Ivan Voloshyn owns and operates the Marianna Shoal, a deep sea oil rig. It s hard work and long days out in harsh weather. And he loves it that way. Because that s what he knows. Seabeds- rigs- oil- and bad weather. He s also about to find out the Norse Gods have a sense of humor. For who should it be to come riding in on the Sea Dock Heavy Lift ship? Another Ivan. Captain Ivan Bla evic knows who he is and what he wants; problem is, he also knows he can t have it. Just because the rest of the world is coming out of the closet doesn t mean every gay man can or should. Out here on the seas, the weather can change in an instant. He needs to trust his crew to do their job, and their hostility towards gays would get in the way of that if he was ever found out.
