John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Play, Talk, Learn - Promising Practices in Youth Mentoring: New Directions for Youth Development, Michael J. Karcher, Michael J. Nakkula, This volume brings together the findings from separate studies of community-based and school-based mentoring to unpack the common response to the question of what makes youth mentoring work. A debate that was alive in 2002, when the first New Directions for Youth Development volume on mentoring, edited by Jean Rhodes, was published, centers on whether goal-oriented or relationship-focused interactions (conversations and activities) prove to be more essential for effective youth mentoring. The consensus appeared then to be that the mentoring context defined the answer: in workplace mentoring with teens, an instrumental relationship was deemed essential and resulted in larger impacts, while in the community setting, the developmental relationship was the key ingredient of change. Recent large-scale studies of school-based mentoring have raised this question once again and suggest that understanding how developmental and instrumental relationship styles manifest through goal-directed and relational interactions is essential to effective practice. Because the contexts in which youth mentoring occurs (in the community, in school during the day, or in a structured program after...

Reviews

A top quality publication along with the typeface utilized was intriguing to read through. It is amongst the most awesome pdf i have got read through. Its been developed in an remarkably straightforward way and it is only right after i finished reading this publication in which actually altered me, modify the way i believe.
