With simple text and warm, colorful illustrations, Yaccarino recounts how the little shovel was passed down through four generations of this Italian-American family along with the good advice. It s a story that will have kids asking their parents and grandparents: Where did we come from? How did our family make the journey all the way to America? A shovel is just a shovel, but in Dan Yaccarino s hands it becomes a way to dig deep into the past and honor all those who helped make us who we are.
