Hidden Harbours of Southwest Britain

By Dag Pike

Imray, Laurie, Norie & Wilson Ltd. Paperback. Book Condition: new. BRAND NEW, Hidden Harbours of Southwest Britain, Dag Pike, A tour of over 30 minor harbours around the coasts of southwest Britain from Lyme Bay to the River Severn. Illustrated with evocative colour photography, Dag Pike's narrative brings to life a contrasting collection of small historic harbours, which although infrequently visited have a fascinating story to tell. 'Hidden Harbours of Southwest Britain' aims to paint a picture of what harbours were like in the past and what they are like now. They can make an interesting alternative for visiting yachtsmen looking for somewhere off the beaten track to visit and explore, perhaps by small tenders. They can tempt visitors looking to trace the industrial archaeology of harbours and the reasons for its rise and decline, or walkers along the coastal paths. Many of the harbours were built to last and they can be rich in history and rewarding to visit both by land and sea. Dag Pike has 60 years of experience in a wide variety of ships and boats having worked with Trinity House on their lighthouse tenders and with the RNLI as an Inspector of Lifeboats. He has raced offshore...

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
