Brand New Book ***** Print on Demand *****.Chris Richardson is a former Marine and the proud father of two beautiful girls, Aneya and Campbell Richardson. They reside together in National Harbor, MD and are proud members of the First Baptist Church of Glenarden. As a Sergeant in the United States Marine Corps, Chris was taught how to kill a man, but not how to love a woman. His life experiences and biblical studies have taught him many lessons about relationships. As someone who is passionate about God, life and healthy relationships Chris shares some of those experiences in this book. So whether you are single and seeking a committed relationship, or married looking to enhance your relationship, this book will give you tools to help you: *Strengthen your vertical alignment with God - God is the source and the strength of all that we do and all that we are. Without him in our lives and in our relationship we are nothing. *Improve your communication skills - Learn essential tips on how to improve your communications between you and your partner. *Identify and resolve root issues - Everyone has root issues - emotional scars from past experiences that may have created road blocks on your path towards a healthy, life-long marriage. This book will help you identify those issues within yourself and provide you and your partner with tools to remove them. *Be accountable - Once you have completed your self-assessment and have become aware of your root issues, you should make yourself accountable to someone who wants to see you mature as a person and life-partner. Don t be a statistic.
