Brand New Book ***** Print on Demand *****.PrefaceThe year was 1975, almost a quarter of a century ago, and catalog sourcebooks were still very much a force in book publishing. To that point, however, no one had compiled one on equestrian products, services, and organizations: something that would present the basics of owning, looking after and using horses, together with leads as to where to find more detailed information. Well, I asked myself, why shouldn t I put such a book together? After all, I was a writer by profession and a recreational rider by avocation.why not combine the two? In those days (and now, too) anyone in search of intelligent feedback on any horse-book idea could do no better than to ask Bill Steinkraus, the United States Equestrian Team mainstay and all-around polymath.Bill, who had just moved to Simon Schuster as an editor, responded in something of a good news/bad news way. The good news was that he found the concept eminently viable. The not-so-good news (or so it seemed to me) was that the project was far too massive for one person -- namely, me -- to do alone.Fortunately, help was close at hand. A number of New York book-publishing types who were also avid riders thought the idea was worth getting involved with -- and so they did.Barbara Burn had introduced herself several years earlier as the girl who outfitted the shed in the backyard for the horse my parents never bought me. Barbara, who had edited two of my books, chose the areas of apparel and horse health, the latter as if anticipating her marriage to a veterinarian who, among his other duties, looked...
