## GROWTH AND DEVELOPMENT OF INDIAN ECONOMY

Global Vision Publishing House, New Delhi, 2016. N.A. Book Condition: New. First. 248pp. The present book is an analytical study of growth and development of Indian economics in eight chapters. The very first chapter introduces nature and motive of economic growth and development in India since independence. Various theories of development is examined in the second chapter. The third chapter reviews developmental theory of eminent economic thinkers. The fourth chapter deals with various programmes and policies of agricultural development and its impact. Role of industries in economic development is described in fifth chapter. Present scenario of international financial institutions, foreign exchange reserve and micro-finance is last three chapters. It is hoped that this book will be very useful society in general and students of Economics/Commerce in particular.
