Brand New Book ***** Print on Demand *****.Excerpt from **In Latinum: Pensa in Latinum Sermonem Vertenda; For Academics and High Schools** To the many kind friends who have given me words of encouragement and helpful suggestion, I am greatly indebted. I wish here especially to thank the scholarly authors of *Bellum Helvetinm* for permission to use so much of their admirable plan as seemed desirable, and also for assistance afforded from time to time during the preparation of the manuscripts and the passage of the work through the press. I shall be grateful at any time hereafter for any suggestion or correction from those engaged in this department or in kindred departments of instruction. Because the necessity of making new plates for this book has arisen the opportunity to revise it has been embraced. Mr. Geo. H. Rockwood, Classical Teacher in the West Division High School of Chicago, has done the chief part of this work of revision, and has made numerous suggestions, which will, I hope, add to the value of the book and meet the approval of its many friends. The grading of the first lessons, the *Exempla Latina*, preceding the *Pensa* of Book I., and the additional Notes, are features to which I wish to call especial attention.
