This item is printed on demand - Print on Demand Neuware - Essay from the year 2008 in the subject Hotel Industry / Catering, grade: B, University of Derby, 18 entries in the bibliography, language: English, abstract: In recent decades, rapid changes in the health status of children and adults have occurred in most developed countries. An increase in prevalence of several chronic diseases, such as obesity and degenerative pathologies affects all age groups. These diseases are strongly associated with food intake and food choices. (Bellisle 2003) According to Magkos et al. (2006) consumer are concerned about the safety and quality of conventional food in recent years. He argues further that the preference for organic food is associated with multiple factors. Nowadays people are more interested in animal welfare, environmental protection and personal health. Harper (2002) claims that people know too little about the additives of conventional food, such as hormones, pesticides, herbicides and antibiotics. The fact that consumers purchase organic food mainly for health reasons is supported by many other researchers. (Klonsky 2000, Makatouni 2002, Fillion and Arazi 2002. Organic food is the fastest growing sector of...
