Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Barbara Post-Askin becomes the voice of a dying generation in her memoir, Reflections of Liberty. From the mass European migration in the early 1900s, to the end of World War II, Post-Askin s stories relay the triumphs, losses, and often forgotten values of a young America. Today s generations are flooded with information from an overwhelming number of sources, from biased news channels and skewed school lessons to any number of social media websites, violent video games, and meaningless television programs. In a world powered by constant bombardment, many children are not even given the chance to prioritize their information, much less learn about the impact of important events that are happening around the world. Throughout the stories Post-Askin tells, she highlights the differences between her generation and those of today. The steady decline of family values, the ambivalence towards political issues, the increase in everyday fear and violence, as well as the lack of face-to-face communication are all hazardous changes to the ideals of upcoming Americans. She also discusses the quickly waning sense of patriotism, as well as the lack of freedom amongst our nation s people, and reminds us that these are the founding tenets of this country. To lose them is to lose our identity! By allowing us to experience the life of a woman raised in a time and in conditions so different from today, Reflections of Liberty encourages readers to question our own values and decisions. These stories will inspire readers to reconsider what is truly important, while also calling the young adults of today to action. The new generations are the only ones who will be able to turn the United...
