It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

This item is printed on demand - Print on Demand Neuware - As Christians, we often encounter believers and unbelievers who are sincerely searching to understand truth. Our challenge is always to communicate that truth in ways that are simple to understand and brief, but also accurate and complete. Getting Around In Christian Circles does that! This is a textbook of essential lessons - gleaned from 30 years of teaching adults from varied backgrounds and churches - for successfully living the Christian life. Each topic is illustrated with a circle to help aid understanding or add interest to often difficult Christian concepts and principles. Getting Around In Christian Circles also contains a guide to church life; a guide to salvation and spiritual gifts; a guide to Christian ethics; and a glossary of the lingo used in Christian circles. This book also provides advice for recognizing and avoiding abuses in the church. Getting Around In Christian Circles is appropriate for anyone who wants to grow spiritually. It's an exceptional resource for pastors and Christian educators, and can also be used for a variety of classes on Christian living.
