Ripped from his motorcycle by Colombian rebels and robbed of everything, adventure motorcyclist Glen Heggstad journeyed through South America, and the trip became a nightmare as he was forced to march through strange jungles carrying heavy equipment with assault rifles at his back. Even with all the hand-to-hand and sophisticated combat training Heggstad possessed, this chronicle shows that it was his shrewd thinking, precise planning, and a do-or-die last act of desperation that eventually secured his freedom. The shocking personal tale of an unimaginable journey through Central and South America, this travelogue details one man s capture by Colombia s rebel National Liberation Army and the eventual realization of his dream to complete his journey.
