

## Political Science Research Methods: AND Working with Political Science Research Methods

By Janet Buttolph Johnson, H. T. Reynolds, Jason D. Mycoff

SAGE Publications Inc, United States, 2007. Kit. Book Condition: New. 6th Revised edition. 274 x 212 mm. Language: English . Brand New Book. Increase the probability of success! Political Science Research Methods, 6th Edition : Don't let an introduction to research methods be your students least favorite (and most intimidating) political science course. Relevant, timely, insightful, comprehensive, and always mindful of their student audience, the authors have revamped their popular text so that the sixth edition is friendlier and more intuitive than ever - the perfect gateway to understanding not just the how but also the why behind research into politics. Covering the discipline's major methods, the authors lead students step-by-step through the logic of research design. Building block chapters on hypothesis formation and testing, variables, and measurement are right up front; the introduction to research design, sampling, and literature reviews now come with more explanation as to why a researcher would pursue different kinds of methods; and, the stats chapters begin with a common-sense primer that walks students through foundational ideas and practices. Throughout the text, updated examples of contemporary research problems keep readers engaged. Each chapter has bolded key terms that are also listed in a...
