

## Introduction to Action Research: Social Research for Social Change (Paperback)

By Davydd James Greenwood, Mr. Morten Levin

SAGE Publications Inc, United States, 2006. Paperback. Book Condition: New. 2nd Revised edition. 223 x 152 mm. Language: English . Brand New Book. How do social researchers know how to select the action research (AR) approach that is most appropriate for their study? Aimed at providing newcomers to AR with the different approaches they seek, Introduction to Action Research, 2//e introduces the history, philosophy, social change agenda, methodologies, ethical arguments for, and fieldwork tools of AR. The book opens with a brief presentation of two cases of AR. This is followed by chapter on the philosophical and methodological arguments for AR as a form of scientific inquiry that better meets scientific standards than what is currently called social science in academia. The authors next explore the marginalization of AR activities in academia, followed by four cases drawn from the authors own practice, including some examples of failures. Two new chapters engage the student and researcher into the current debates on action research as tradition or its own methodology , and how action research takes shape in the university environment. In the final section of the book the authors cover six different approaches to doing AR. Throughout the book, the authors employ...
