Minotaur. 1 Cloth(s), 2014. hard. Book Condition: New. In their sixth investigation, in Will Thomas's witty and atmospheric Victorian mystery series (following *The Black Hand*), private enquiry agent Cyrus Barker and his assistant Thomas Llewelyn are confronted with a ghost from the past. Barker once matched wits with Sebastian Nightwine, an aristocrat and sociopath, and in exposing his evil, sent Nightwine fleeing from justice to the far corners of the earth. The last thing Barker ever expected was to encounter the villain again, but Her Majesty's government believe they need Nightwine's help, and have granted him immunity for his past crimes to bring him back to London. Nightwine, however, has more on his mind than redemption."Cyrus Barker and his apprentice, Thomas Llewelyn are drawn into a diabolical cat-and-mouse game when Barkers arch-nemesis, Sebastian Nightwine, returns to London under diplomatic protection. Although hes warned away by Scotland Yard, Barker doesnt consider complying; hes certain that Nightwine murdered his brother years ago. Now Nightwine plants a witness who fingers Barker for a wealthy businessmen murder. Barker and Llewelyn go underground to avoid arrest, leading readers on a tour of the citys hideaways. When Nightwine draws first blood, Barker becomes more determined to orchestrate a final confrontation before his adversary can close his mysterious government deal and escape. Like Sherlock Holmes, Barker stays a step ahead of both criminals and coppers, but his methods rely on networking both underworld and society contacts, which treats readers to the full range of experiences in Victorian London. Well crafted and immersive."Booklist 293.
