Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.June is focused. A woman on mission. No distractions allowed especially if they come with male-parts attached. All she needs to do is make it through this semester, conquer her looming finals, and then she can start living the life shes always wanted. June has always had a plan, and getting into law school fit right within those nice square walls. Life is on track, minus her love handles complements of a killer recipe for chocolate cupcakes and awkward glasses complements of bat-like blindness. He wants her to look beyond the naked models and into the true depth of art within the human soul. All she sees is skin, legs, abs and umman and lady...
