Harlequin, Canada, 2012. Paperback. Book Condition: New. 163 x 104 mm. Language: English . Brand New Book. How do you work for a guy who took the job you wanted? Every time Captain Layne Sullivan runs into Chief Ross Taylor, she struggles with that issue. It doesn't help that he's a by-the-book cop who expects everything done his way. It also doesn't help that he's hot. Ignoring that little fact is impossible--she's tried! Then Layne's world is turned upside down when human remains are discovered, and the case has a personal connection. Suddenly she's glad Ross is so thorough, because he'll get to the truth. And his search brings them closer, fueling the attraction that's out of control. As secrets and lies from the past surface, Layne's biggest challenge is fighting for a future--with Ross in it.
